The Committee shall recommend annually, prior to the solicitation of proxies, a slate of qualified candidates for election to the Board at the Annual Meeting or, if applicable, at any special meeting of the unitholders, and, in case of a vacancy on the Board, shall either recommend a candidate to fill such vacancy or recommend that the number of directors constituting the Board be reduced until a suitable candidate is selected to fill such vacancy.

The Committee shall oversee the system of corporate governance of the Company, including:

- 1) Developing and recommending to the Board a set of corporate governance principles for the Company, including a corporate Code of Business Conduct and Ethics;
- 2) Reviewing and reassessing the adequacy of the Company's corporate governance principles at least annually; and
- 3) Recommending to the Board for approval any such changes to the principles as the Committee believes are appropriate.

The Committee shall report to the Board regularly on all matters for which the Committee has responsibility.

The Committee shall undertake and review with the Board an annual performance evaluation of the Committee.

The Committee shall have the sole authority to select, retain and terminate a consultant or search firm to be used to identify director candidates and to approve any compensation payable by the Company to such consultant or search firm, including the fees, terms and other conditions for the performance of such services.

The Committee shall have the authority to obtain such advice and assistance from outside legal counsel or other advisors as the Committee determines to be necessary or advisable in connection with its duties and responsibilities hereunder, and the Company shall pay to such advisors such compensation as is determined by the Committee.
